REMARKS

Claims 30, 32-34, 36-42, and 44 have been allowed in the subject application.

The United States Patent and Trademark Office issued a Notice of Allowance and a Notice of Allowability including an Examiner's Amendment in connection with the above-identified application on May 5, 2011, a copy of which is attached hereto as **Exhibit 1**. In the Examiner's Amendment issued May 5, 2011, the Examiner amended claims 30 and 44. The Examiner cancelled claims 43 and 47.

Upon review of the allowed claims, applicant noted that allowed claims 32-34 depend from claim 31, which have been previously cancelled without disclaimer or prejudice to applicant's right to pursue the subject matter of this claim in the future.

Applicant has hereinabove amended claims 32-34 under 37 C.F.R. §1.312 to depend from allowed claim 30.

This Amendment under 37 C.F.R. §1.312 merely clarifies the claims and raises no issue of new matter. Accordingly, applicant maintains the Amendment should be entered and respectfully requests entry of this Amendment under 37 C.F.R. §1.312. After entry of this Amendment under 37 C.F.R. §1.312, applicant maintains that claims 30, 32-34, 36-42, and 44 remain allowable.

If a telephone interview would be of assistance in advancing consideration of the Amendment under 37 C.F.R. §1.312 in connection with the subject application, applicant's
